1 SKID SITE

Background

- Block Size: 3Ha
- Own and operate Central Spraying Services
- F360 were operating in the area
- Knew F360 personnel
- Shelter belt situation with tough wet conditions

Response

- End yield matched original tonnage estimate exactly
- Adherence to project timeline
- Proactive machinery and site solutions

"These guys were good as gold and good to their word. They did what they said they would do when they said they would do it. You can't ask for more than that."

" Their estimate on yield was bang on and they dealt well with the wet, getting stuck into things. They were proactive throughout."
