Background

- Block Size: 16Ha
- Sheep and beef farmer (Angus and Romney)
- Referred by pruning provider Gareth Hagan
- 1st block 3Ha, second block 13Ha

Response

- Achieved a better net return than estimated
 - Blocks processed separately due to wet weather challenges
 - Kept in the loop throughout and clear communication
-

“They took me through all the options on how we could sell and approach things which worked out well for us.”

“ We’d recommend them to anyone. Their estimates were pretty close to on the nose and they kept us in the picture throughout the whole process.”
