

CLIENT STEVE SMITH

The Westervelt Company NZ Ltd

LOCATION

Taupo & Marlborough Regions

DATE

2011 - Present

TERRAIN

Diverse range - from flat to rolling country in the Central North Island, and high country in the South Island

SOLUTION

Removal of pre 1990 land status and obligations to enable a change of land use. Establishment of manuka trials over a five-year period to confirm suitability for commercial plantings, ETS registration, carbon sale and insurance facilitation

Background

- Block Size: 559ha in Emissions Trading Scheme (ETS)
- Referred by a farming neighbour
- Chose Forest360 due to their professionalism and reliability (compared to other companies)

Response

- Assessed opportunities to register in ETS for Poronui property
- Five year planting programme in progress, including Manuka
- Whole of property plans

“ WE WERE HAPPY WITH THE OUTCOME - THE FOREST360 TEAM GAVE US EVERY CONFIDENCE EVERY STEP OF THE WAY.”

Steve Smith
