Emissions Trading Scheme
(ETS) assessment, application
and registration

**“ FOREST360 OFFERED OUR TRUST
A COMPLETE ONE-STOP FORESTRY
MANAGEMENT AND TOOK CARE OF
EVERYTHING ETS RELATED.”**

Background

- Block Size: AWHI have over 6,577ha in the ETS
- Continued an on-going working relationship with Forest360 that goes back decades
- Regulatory and legislative overview and implementation advice

Response

- Forest360 advised AWHI on carbon insurance, forest insurance and navigated resource consent processes, including management of local authorities
- Gave AWHI complete confidence due to their deep, institutional knowledge of the Trust
- Involved in tree work, thinning, pruning, harvesting and marketing
- Carbon credit sales
