## CLIENT STEVENSON FAMILY TRUST

Land owners  
Farm Forestry conversion

**LOCATION**  
South Taranaki - Waitotara Valley

**DATE**  
June - October 2020

**TERRAIN**  
Steep Hill Country

**SOLUTION**  
Managed and advised across the entire process from planning and planting, to accessing council funding and carbon accreditation as part of the 1BT Programme

## Background

- New to forestry and farm conversions
- Forestry plans and assessment completed to make best use of all land
- End result was a mixture of planting native pine, eucalyptus and manuka

## Response

- Forest360 was a trusted partner who held their hand across the whole process with one main point of contact throughout the project
- Competitive and fair forestry management fee
- Planting programme to ensure good growth rates
- Planting completed to schedule despite challenging winter conditions
